Office of the Director – Public Affairs  
Publicity Permission Form 2004/2005**

*Within the Department of Defense Dependents Schools - Europe, there are many opportunities to celebrate the achievements and activities of our districts, schools, students, staff and community members. The Information Age has provided additional mediums to publish our accomplishments, showcase our educational programs and services, and strengthen two-way communication among our publics. While television and print publications have been traditional ways of getting information to our publics, we now have the added benefit of the Internet.*

*With regard to the Internet, DoDDS-E official web sites follow the goals, guidelines and policies for responsible and safe Internet publication practices set forth by the Deputy Secretary of Defense and the DoDEA Web Publishing Guide.*

*In order for us to include a student, staff member or community member in print publications, television, multi-media or the Internet, permission is needed.*
